NATIONAL SECURITY (NGOS)

ISGP'S CENTER FOR RESPONSIBLE IMMIGRATION

Why are citizens from Africa and other crime-ridden places as Afghanistan and Iraq allowed to impose their "society" onto the West and the world as a whole, simply because they aren't able to limit their populations? Should we allow them to destroy the rainforests and all remaining exotic wildlife as well? Should we commit suicide to give them space? What's the "sustainable" policy here of the globalist movement surrounding think tanks as the CFR, Bilderberg and the Trilateral Commission?

ISGP CLASSICS:

MORE:

Europe lags behind a bit in numbers, but is going the exact same route with Arab Muslim and African black - some of them also Muslim - immigrants.

Positions and plan of action

ISGP's Center for Responsible Immigration is working to see:

- ▶ a (positive) information campaign to up the national birth rates for native whites from 1.3-1.7 to 2-3, with the government setting up social programs to support this effort;
- ▶ publication per country of full ethnic crime numbers for every type of offense, as well as religious extremism;
- ▶ inclusion of 2nd and 3rd generation immigrants into these statistics;
- ▶ productive political and economic debates on these statistics;
- ▶ a ban on immigrants from countries with greatly inflated crime numbers compared to the West;
- ▶ the immediate extradition of all immigrant criminals and neighborhood disturbers and their families for the first two generations at the very least;
- ▶ lethal force against Third World immigrants trying to force themselves into Europe;
- ▶ economic sanctions and even military force against North African and other Arab countries who refuse to stop refugee streams.
- ▶ a particularly close cooperation with East Europe and the Far East on population issues, including, where possible, with Russia and China;
- ▶ a cessation of [white guilt shaming](#) and the promotion of the fact that the white race has been the most diverse, the most concerned with the world as a whole, and is an example to the Third World.
- ▶ a major reversal of Third World immigration into the U.S. (whites will become a minority here around 2040) from anywhere except the Far East where crime numbers are lower and IQs higher.

RELATED RESEARCH

The blue-labeled liberal elites below in particular, most of whom have been Bilderberg and Trilateral Commission regulars, are at the center of the West's pro-Third World immigration policy. This policy includes the [suppression of ethnic crime numbers](#) and the [promotion of white guilt](#). However, many neocons, such as the Bushes and William Kristol, have also openly supported pro-Third World immigration policies to "solve" our problem of graying populations in a politically correct manner. None of them have

In brief

On this site the reader can find about 100 articles with a total of 1.7 million words, not counting (fully written-out) sources, press reports, membership lists with biographies, and outside work. If the information is reorganized a little, it would be possible to publish it in about twenty 300 page books.

Double-tap tap the center column in [pure text areas](#) for [mobile view](#).

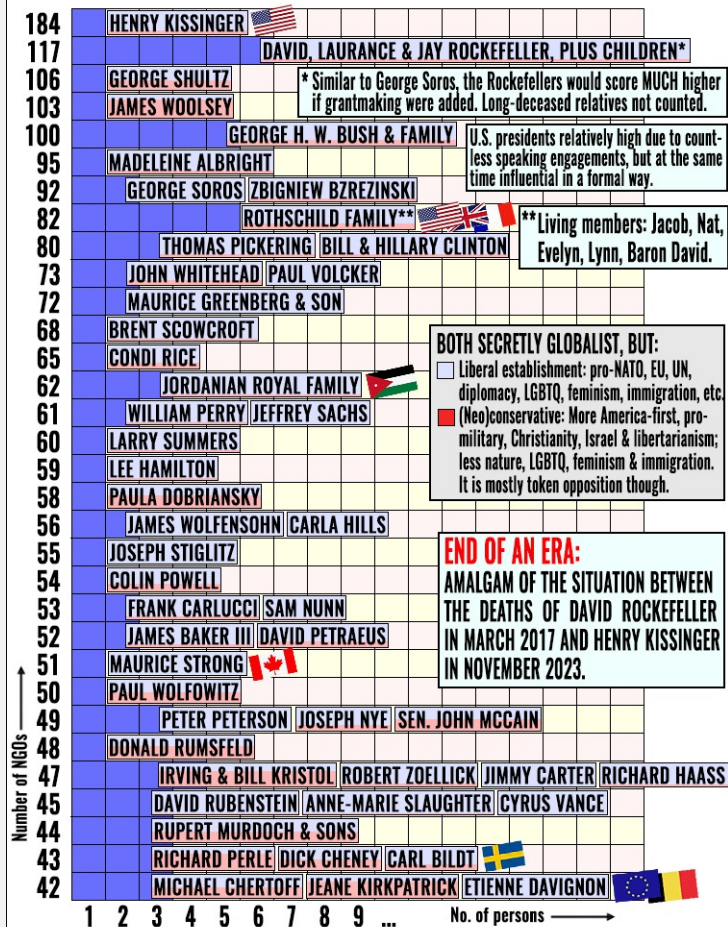

USAPS & SECRECY LEVELS

ever suggested a policy to increase the West's native birth rates.
